BREEDER'S COMMENTS

Lot 2 was used at Llandillo over heifers in the spring. He is a little bit behind his mates due to the work load but he has responded to feed well. He is a full brother to lot 15.

BREEDER'S COMMENTS

A Ready Ready son with a heap of punch and presence. The Ready Ready daughters are starting to calve with great udder shape and plenty of milk. V18 will be a bull that will give you fast growing steers and great replacement females.

BREEDER'S COMMENTS

V141 is a bull we think a lot of. A great heifer bull option that will give you a great line of cattle with extra Carcase. We have collected semen in this bull for in herd use only. I truly believe this bull would be an ideal stud heifer bull.
